Internet Access to Medicaid Information Bulletins and the Index

Medicaid Information Bulletins published since April 1997 and an Index to articles published are available on the Internet. Use links at: www.health.state.ut.us/medicaid/html/provider.html

 To get a copy of a Medicaid Information Bulletin:

1. Use the FIND function to locate a keyword or date in the Index. Note the month and year of publication.
2. Then use the ARCHIVE link at the top of each page to go to the list of bulletins by date of publication.
3. Select the Medicaid Bulletin you want to see.
4. Print the bulletin.
